Dear Harold:

This is what I got from the AirForce, which first claimed that they didn't have anything and then finally sent this to me. I am certain from my own AirForce experience, that they have much more on file.

Wishing you and yours a happy Thanksgiving,

Emory Brown

Note no mention of "crypto" in LHO's security clearance - he wasn't Top Secret, required for crypto, which DOD requires to know [illegible]
